

Coral Springs Camera Club Members, following are the Club Outings and Photography Opportunities for January and February 2019. We will be separating the information into three categories in order to minimize confusion for the December Outings Competition. The three categories are as follows:

COORDINATED CLUB OUTING – We will coordinate as a Club Outing to meet at a certain time and place to go together as a group. **These outings can be used for the December Outings Competition.**

CLUB OUTING – Each Club member will attend the outing on their own at a time of their choosing. There will not be a coordinated Club meet. **These outings can be used for the December Outings Competition.**

PHOTOGRAPHY OPPORTUNITIES – These are photography opportunities we are aware of that could be of interest to Club Members. **These outings CANNOT be used for the December Outings Competition, they can be used in the OPEN category in the other competition months.**

NOTE – Our goal is to have at least one to two outings each month as a Coordinated Club Outing or Club Outing.
